The course is online!

COURSE HIGHLIGHTS

This online course consists of four modules over a four week period, followed by a final exam. Each module requires three to five hours of time per week. The course includes

- Self-directed online work that integrates a rich media experience with active-learning exercises to help you apply DiSC® theory and concepts in an engaging way.
- Live facilitated sessions* filled with collaborative learning opportunities and breakout sessions. All of this is facilitated virtually by our professional trainers who are with you every step of the way.

*Attendance is required for all four live sessions to complete the course.

IS ONLINE CERTIFICATION RIGHT FOR YOU?

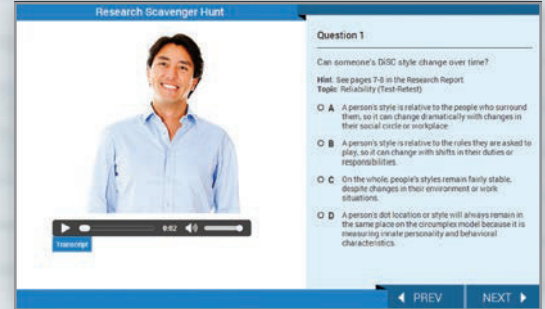

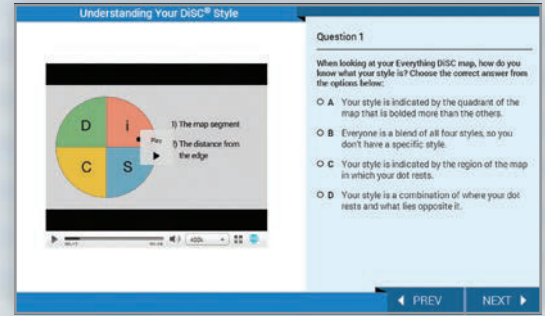

- Can you commit to four weeks of self-directed and instructor-led work?
- Are you a motivated learner who will be responsible for completing all assignments and required reading?
- Can you attend ALL four live instructor-led sessions?
- Can you meet the technical requirements listed below?

In-person certification opportunities available. Talk to your Everything DiSC® Authorized Partner for more details.

TECHNICAL REQUIREMENTS

Participants must use a laptop or desktop computer (Mac or PC) and recommended browsers to access the course online and complete the activities (not a tablet or smart phone). Talk to your Authorized Partner for more information.

Participants must have access to a phone (cell or land line) to attend the weekly live collaborative session.

“Our company uses the Everything DiSC Workplace® throughout our organization. After this course I feel confident that I have the expertise to answer any questions that come my way.”

—Director of HR

“This was a big success for me — I’m meeting with a client next week and I’m going to pitch it with enthusiasm.”

—Sr. Sales Manager

“I purchased the Everything DiSC Workplace Facilitation Kit a month ago but was reluctant to use it. After completing this course I’m excited to begin!”

—Regional Training Manager
